EDUCATION

University of California, Los Angeles — MEng, Artificial Intelligence, Sep 2025 – Jun 2027 GPA: 4.0
University of California, Los Angeles — BS, Computer Science, Sep 2021 – Jun 2025 GPA: 3.87

EXPERIENCE

Rosemead Dental Lab — Software Engineer Jun 2024 – Present

- Engineered and deployed a secure e-commerce site, improving client access and reducing manual order processing.
- Directed a cross-functional team of 3, aligning technical roles to meet delivery deadlines.
- Designed system architecture, optimized internal software, performed performance testing, and oversaw systems integration.
- Trained YOLO11 model for cavity detection, getting 90% accuracy, and reducing training time by 10%.

Qing Hui Fu DDS Inc — Technology Intern Aug 2023 – Sep 2023

- Automated workflows for 50% of patient records, increasing efficiency by 25%.
- Managed IT support and troubleshooting for 20+ devices, improving uptime

UCLA Computer Science Department — Tutoring Chair Sep 2022 – Present

- Led 200+ student review sessions for data structures, algorithms, ML, AI, and databases.
- Mentored 50+ students individually, boosting average grade percentage by 10% in core CS courses.

PROJECTS

ADAPT – Personal Health Web App | React, CSS, HTML, Firebase

- Built a personal fitness web app allowing users to manage accounts, track personal data, and search customized workouts and recipes.

AskDirectory – AI File Query Web App | React.js, Bootstrap, Node.js

- Built an AI-powered PDF query tool integrating Google Gemini API, reducing data lookup time by 70% through parallel computing.

Cavity Detection ML Model | Python, PyTorch, Pandas, NumPy

- Trained an YOLO11 model for dental image analysis with version control and feature engineering

SKILLS

Languages: JavaScript, TypeScript, Python, C++, Java
Frontend: React, React Native, Bootstrap
Backend: Node.js, Express.js, Docker
Machine Learning: PyTorch, TensorFlow, OpenCV, LLMs
Databases: SQL, Firebase
Relevant Courses: Data Structures, Algorithms, Operating Systems, Machine Learning, Data Science
Certifications: AWS Cloud Practitioner, Full-Stack Web Development
